Notice of Utility Billing Error

Water customers who received their utility bill by mail for the month of July 1, 2017 to July 31, 2017 need to contact the City Utility Department to obtain the correct bill amount. Staff identified the issue after bills had inadvertently been printed and mailed out. We apologize for this error. Online accounts do reflect the correct amount. We apologize for any inconvenience this may have caused and are taking corrective action to ensure this does not happen again. If you have any questions, please call Utility Billing at 830-876-2476.

Thank you for your time and attention!
